**Caracole Classic's Spring Introductions Embody Glamour and Sophistication**  
*Stylish designs influenced by the "Hollywood Regency" era translate timeless inspirations for today's livable luxury.*

Greensboro, N.C., April 14, 2018 – Launching this spring, Caracole Classic debuts an understated yet opulent design direction distinguished by timeless "Hollywood Regency" influences. Capturing the glamour and sophistication of the 1930s and 1940s, these fresh introductions draw inspiration from silver screen movie star legends and the glamorous homes and estates of the period. Spanning bedroom, dining, upholstery and occasional, its thoughtful proportions and refined tailoring render it perfect for today's modern lifestyles.

Offering a slightly eclectic feel with broad appeal, these sophisticated designs feature luxurious materials and finishes, including rare wood veneers, leather, stone, metal and lacquers. In addition to silhouettes with a Hollywood Regency influence, additions to the Caracole Classic portfolio lend a nod to Neoclassical and Greek interpretations with each piece classically inspired and yet on-trend for today. The 1940s French "Moderne" period also serves as a muse, adding a heightened level of sophistication where every detail conveys luxury. Unique finishes seen throughout include Platinum Blonde, Champagne Gold, and Cognac.

"Caracole Classic's introductions showcase our ability to create furnishings that are perfectly suited for livable luxury," says Jeff Young, president and CEO. "Dramatic yet elegant, each design offers classic character and defining details. These new looks capture the glamour of the 1930s and 1940s, while remaining relevant for today's lifestyles."

### Pretty Little Thing Chair

It's impossible not to notice how pretty this chair is and we know you'll agree it has unforgettable allure. A shaped, open back distinguishes its silhouette while contrasting upholstery adds another level of sophistication. Covered in a luxurious dove grey velvet, its outside seat back is upholstered in a soft shade of quartz. Fluted arms create instant glamour in Golden Shimmer Paint and are finished with metal ferrules in Champagne Gold.

### A Whole Bunch Cocktail Table One of the Bunch Cocktail Table Honey Bunch Cocktail Table

A true treasure, these three occasional tables work on their own or can be bunched together for dramatic effect. A Whole Bunch and One of the Bunch boast table tops crafted in exquisite veneers of quartered Paldao finished in a rich Galway finish. Honey Bunch is slightly taller with a smaller table top artistically created from layers of Golden Blonde Leaf applied in alternating patterns. Each table features legs finished in Champagne Gold.

### Dress To Impress

Exotic Madrona Burl and Figured Maple, both finished in Dark Roast, combine in a piece with classic airs. The top has an inlay of burl, edged by a simple black bead, and fully surrounded by the beautiful grain of figured maple. Gently rounded edges on this rectangular piece raise above the top to create a thin bar rail. Four doors mix vertical panels of maple, carved to look like tuxedo shirts, with flat panels of burl for a stunning effect. The piece rests above the ground on thin square-tapered legs with Whisper of Gold ferrules. Custom Whisper of Gold pulls open four doors to reveal end sections with single adjustable shelves and a center section with two shelves and a drawer with custom knob pull.
